Hon. Claude Pepper
Senate Office Bldg.
Washington, D.C.

Dear Senator Pepper,

After speaking to your secretary I am taking the liberty of calling the enclosed article in CLICK to your attention.

I spent considerable time checking on this document, the Tanaka Memorial, and was amazed at how closely the Japanese have followed it in their ruthless aggression. If there is any information that I can supply you - unfortunately we didn't have room for a longer story - I will be very happy to do so.

My address is Apt. 2, 313 H. St., nw, and my phone is District 2108.

Thank you very much.

Sincerely yours,

Harold Weisberg
